

## Special Issue

# Editorial Board Members' Collection Series: Sleep and Neuropsychiatric Disorders

### Message from the Guest Editors

We are pleased to announce a new collection titled "Editorial Board Members' Collection Series: Sleep and Neuropsychiatric Disorders". This Special Issue will be a collection of papers by researchers invited by the Editorial Board Members. The aim is to provide a venue for networking and communication between JCM and scholars in the field of sleep medicine and neuropsychiatric disorders. All papers will be fully open access upon publication after peer review.

## About the Journal

### Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!
