

Special Issue

Osteoporotic Fractures of the Pelvis, Hip and Femur: Current Challenges and New Perspectives

Message from the Guest Editor

We cordially invite your expert contributions to our Special Issue of the *Journal of Clinical Medicine*. Osteoporotic fractures, particularly pelvic, periprosthetic and proximal femoral fractures, present intricate healthcare burdens globally. This issue delves into the latest advancements and novel approaches in managing these fractures and non-operative supportive therapies, including osteoporosis treatment. We encourage submissions showcasing innovative diagnostic techniques, surgical interventions, rehabilitation strategies and pharmaceutical approaches aimed at enhancing patient outcomes and quality of life. As , we aim to cultivate a deep understanding of the multifaceted aspects surrounding osteoporotic fractures, providing a platform for insightful discussions and evidence-based research. Your invaluable contributions will play a pivotal role in shaping the future landscape of osteoporotic fracture management. We eagerly anticipate your insights.

Keywords: osteoporosis; fracture management; pelvic fractures; periprosthetic fractures; proximal femoral fractures; non-operative therapies

About the Journal

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

Editors-in-Chief
