

Special Issue

Early Childhood Caries: Bio-Psycho-Social Disease Mechanisms, Prevention, and Management

Message from the Guest Editors

The aim of this Special Issue is to focus on the disease mechanism, prevention, and management of ECC, as well as the impact of OHRQoL on the disease. We are inviting relevant original research, systematic reviews, meta-analyses, and short communications covering the above-mentioned topics.

Guest Editors

About the Journal

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's (JCM)* staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!
