Selected Papers from the 2020 International Conference on Materials and Nanomaterials (MNs-20), Rome, 26-28 July 2021

Message from the Guest Editors

The 2020 International Conference on Materials and Nanomaterials (MNs-20) is organized by academics and researchers belonging to different scientific areas of the Universidad Carlos III de Madrid, the Universidad Complutense de Madrid, the Universidad de Extremadura and the Universidad de Las Palmas de Gran Canaria with the technical support of Sciknowledge European Conferences. The event has the objective of creating an international forum for academics, researchers and scientists from worldwide to discuss worldwide results and proposals regarding to the soundest issues related to Materials and Nanomaterials. In this connection, papers presented in this Conference in the topic of Composite and Nanocomposite Materials and having enough quality can be further considered for publication in *Journal of Composite Sciences*.
