

Dear Colleagues,

We are pleased to announce the winner of the *J. Imaging* 2020 Best Paper Award. All papers published in Volume 6 (18 December 2019–21 December 2020) in *J. Imaging* were considered for the award. After a thorough evaluation of the originality and significance of the papers, citations, and downloads, the one winning paper, which was nominated by the Editor-in-Chief, Prof. Dr. Raimondo Schettini, has been selected.

One review:

Explainable Deep Learning Models in Medical Image Analysis

By Amitojdeep Singh, Sourya Sengupta and Vasudevan Lakshminarayanan
J. Imaging 2020, 6(6), 52; <https://doi.org/10.3390/jimaging6060052>

2020 BEST PAPER AWARD WINNER

The winner (corresponding author) will receive CHF 500 and a chance to publish a paper in *J. Imaging* free of charge (1600 CHF) in 2022.

On behalf of the assessment committee, I would like to congratulate the winner on his accomplishment. We would also like to take this opportunity to thank all the nominated research groups of the above exceptional papers for their contributions to *J. Imaging*, and the Award Committee for voting and helping with this award.

Kind regards,
Editor-in-Chief
Prof. Dr. Raimondo Schettini, *J. Imaging*
