

Dear Colleagues,

On behalf of the Evaluation Committee, I am pleased to announce the winner of the 2018 *Journal of Intelligence* Best Paper Award which is for the junior first authors (obtain PhD degrees after October 2018).

2018 BEST PAPER AWARD WINNER

This award is granted to **Gidon T. Frischkorn**, from Institute of Psychology, Heidelberg University, Hauptstrasse 47-51, D-69117 Heidelberg, Germany, for the paper “Cognitive Models in Intelligence Research: Advantages and Recommendations for Their Application” (<https://www.mdpi.com/2079-3200/6/3/34>).

The award consists of **1000 Swiss Francs** and a certificate.

Thank all candidates for their excellent contributions and congratulate the winner Gidon T. Frischkorn.
