Topical Advisory Panel Members' Collection Series Wave Energy Converter (WEC)

Message from the Guest Editors

This collection series aims to gather cutting-edge research on wave energy converter (WEC) technologies. Research and review papers about new devices and their design, modeling and simulation approaches, and supervision and control systems or fault-tolerant design in WECs are welcome.

About the Journal

Message from the Editor-in-Chief

The *Journal of Marine Science and Engineering* (JMSE, ISSN 2077-1312) is an international peer-reviewed open access journal which provides an advanced forum for studies related to marine science and engineering. The journal aims to provide scholarly research on a range of topics, including ocean engineering, chemical oceanography, physical oceanography, marine biology and marine geosciences. We invite you to publish in our journal sharing your important research findings with the global ocean community.
