Celebrating the 130th Anniversary of Tianjin University: Invited Papers for Design Method and Engineering Application of UUVs

Message from the Guest Editors

As 2025 marks the 130th anniversary of Tianjin University, we are honored to invite you to submit high-quality and impactful manuscripts showcasing your research on unmanned underwater vehicles (UUVs) for this special occasion in the Special Issue entitled “Celebrating the 130th Anniversary of Tianjin University: Invited Papers for design method and engineering application of UUVs”. This Special Issue is dedicated to celebrating Tianjin University’s remarkable contributions to research and development in serial Petrel underwater gliders. We welcome manuscripts addressing a broad spectrum of topics within UUV, including but not limited to the following: Design theory and method of key disciplines for UUVs; Multidisciplinary design approach of UUVs; Design theory and method of bionic underwater robots; Progress in engineering application of UUVs; Performance improvement method of UUVs; UUV networking technology and theory.

About the Journal

Message from the Editor-in-Chief

The *Journal of Marine Science and Engineering* (JMSE, ISSN 2077-1312) is an international peer-reviewed open access journal which provides an advanced forum for studies related to marine science and engineering. The journal aims to provide scholarly research on a range of topics, including ocean engineering, chemical oceanography, physical oceanography, marine biology and marine geosciences. We invite you to publish in our journal sharing your important research findings with the global ocean community.

Editor-in-Chief

Prof. Dr. Charitha Pattiaratchi
School of Engineering, The UWA Oceans Institute, The University of
Western Australia, Perth, WA 6009, Australia

Author Benefits

High Visibility:

indexed with Scopus, SCIE (Web of Science), Ei
Compendex, GeoRef, Inspec, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Engineering, Marine) / CiteScore - Q2 (Ocean
Engineering)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is
provided to authors approximately 15.6 days after
submission; acceptance to publication is undertaken in 1.9
days (median values for papers published in this journal in
the first half of 2025).
