Special Issue

Research Progress on Deep-Sea Organisms

Message from the Guest Editor

This Special Issue aims to publish all types of manuscripts (i.e., research articles, reviews, and short communications) covering a wide range of topics including, but not limited to, the biology, ecology and evolution of organisms in deep-sea environments, the interaction between biotic and abiotic factors, and, especially, research on the application of new methods and interdisciplinary research involving organisms living in deep-sea environments. Keywords

- deep-sea
- biology and ecology
- molecules and evolution
- survival strategies and mechanisms
- in situ study
- interdisciplinary research.

Guest Editor

Prof. Dr. Lisheng He

Institute of Deep-Sea Science and Engineering, Chinese Academy Sciences, Sanya, China

Deadline for manuscript submissions

31 January 2026

Message from the Editor-in-Chief

The Journal of Marine Science and Engineering (JMSE, ISSN 2077-1312) is an international peer-reviewed open access journal which provides an advanced forum for studies related to marine science and engineering. The journal aims to provide scholarly research on a range of topics, including ocean engineering, chemical oceanography, physical oceanography, marine biology and marine geosciences. We invite you to publish in our journal sharing your important research findings with the global ocean community.

Editor-in-Chief

Prof. Dr. Charitha Pattiaratchi School of Engineering, The UWA Oceans Institute, The University of Western Australia, Perth, WA 6009, Australia

Author Benefits

High Visibility:

indexed with Scopus, SCIE (Web of Science), Ei Compendex, GeoRef, Inspec, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Engineering, Marine) / CiteScore - Q2 (Ocean Engineering)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 15.6 days after submission; acceptance to publication is undertaken in 1.9 days (median values for papers published in this journal in the first half of 2025).
