

## Special Issue

# Selected Papers from the 4th Asian Wave and Tidal Energy Conference

### Message from the Guest Editors

The AWTEC conference was first held in Jeju, Korea, in 2012. Since then it has been held in Tokyo and Singapore every two years. This conference series very quickly became the most reputable event on ocean energy. The event is a platform for engineers, researchers, and experts to keep abreast of the current state-of-the-art advancements in ocean energy, ranging from wave energy, tidal energy, ocean thermal energy, ocean current energy, to offshore wind energy. It encompasses technical, environmental, and economic issues. With high-quality papers and presentations, it promotes marine energy advancement in an interdisciplinary spectrum. AWTEC 2018 will collaborate with the open access journal, *Marine Science and Engineering (JMSE)*, to prepare a Special Issue for papers presented at the conference. Prospective authors are cordially invited to submit their high-quality papers from AWTEC 2018 to be considered for publication in the journal.

## About the Journal

### Message from the Editor-in-Chief

*Journal of Marine Science and Engineering (JMSE, ISSN: 2077-1312)* focuses on research in the fields of Ocean Engineering, Coastal Engineering, Physical Oceanography, Geological Oceanography, Marine Biology, and Marine Environmental Science. It publishes reviews, regular research papers, and short communications, as well as Special Issues on particular subjects. Our aim is to encourage scientists to publish their experimental and theoretical results in as much detail as possible. There is no restriction on the maximum length of the papers.

### Editor-in-Chief

Prof. Dr. Charitha Pattiaratchi

School of Engineering, The UWA Oceans Institute, The University of Western Australia, Perth, WA 6009, Australia

### Author Benefits

#### High Visibility:

indexed with Scopus, SCIE (Web of Science), Ei Compendex, GeoRef, Inspec, AGRIS, and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Marine) / CiteScore - Q2 (Ocean Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.5 days after submission; acceptance to publication is undertaken in 2.5 days (median values for papers published in this journal in the second half of 2025).
