# **Special Issue**

# Selected Feature Papers in Marine Environmental Science

# Message from the Guest Editor

I am pleased to announce the launch of a new Special Issue focused on marine environmental science. This Special Issue will contribute to the publication of high-quality research focused on all of the main aspects of marine environmental science, including coastal and marine resource management, environmental aspects of oceanography, fisheries science, marine biotechnology, marine ecosystems, marine pollution, and environmental toxicology, to mention just a few. Submissions of high-quality original research on all of the branches of marine environmental science mentioned above, as well as other relevant topics, are welcome and encouraged.

# Message from the Editor-in-Chief

The Journal of Marine Science and Engineering (JMSE, ISSN 2077-1312) is an international peer-reviewed open access journal which provides an advanced forum for studies related to marine science and engineering. The journal aims to provide scholarly research on a range of topics, including ocean engineering, chemical oceanography, physical oceanography, marine biology and marine geosciences. We invite you to publish in our journal sharing your important research findings with the global ocean community.

## Editor-in-Chief

Prof. Dr. Charitha Pattiaratchi School of Engineering, The UWA Oceans Institute, The University of Western Australia, Perth, WA 6009, Australia
