

## Special Issue

# The 10th Anniversary of JMSE - Recent Advances in Section Marine Biology

### Message from the Guest Editor

As Editor-in-Chief of the Section Marine Biology of *JMSE*, I am pleased to invite you to submit high-quality and relevant manuscripts on your research activities in marine biology for this special occasion in the Special Issue entitled “The 10th Anniversary of JMSE - Recent Advances in Section Marine Biology”. All research will be included in a book dedicated to the 10th anniversary of our journal. Manuscripts focusing on all the different main fields of marine biology are welcome: biology and ecology of marine organisms, conservation and management of marine species, pollution in the marine environment and bioindicators, biological invasions in the marine environment, taxonomy of marine organisms, fisheries research.

## About the Journal

### Message from the Editor-in-Chief

The *Journal of Marine Science and Engineering* (JMSE, ISSN 2077-1312) is an international peer-reviewed open access journal which provides an advanced forum for studies related to marine science and engineering. The journal aims to provide scholarly research on a range of topics, including ocean engineering, chemical oceanography, physical oceanography, marine biology and marine geosciences. We invite you to publish in our journal sharing your important research findings with the global ocean community.
