The 10th Anniversary of JMSE - Recent Advances in Section Marine Biology

Message from the Guest Editor

As Editor-in-Chief of the Section Marine Biology of *JMSE*, I am pleased to invite you to submit high-quality and relevant manuscripts on your research activities in marine biology for this special occasion in the Special Issue entitled “The 10th Anniversary of JMSE - Recent Advances in Section Marine Biology”. All research will be included in a book dedicated to the 10th anniversary of our journal. Manuscripts focusing on all the different main fields of marine biology are welcome: biology and ecology of marine organisms, conservation and management of marine species, pollution in the marine environment and bioindicators, biological invasions in the marine environment, taxonomy of marine organisms, fisheries research.

About the Journal

Message from the Editor-in-Chief

Journal of Marine Science and Engineering (JMSE, ISSN: 2077-1312) focuses on research in the fields of Ocean Engineering, Coastal Engineering, Physical Oceanography, Geological Oceanography, Marine Biology, and Marine Environmental Science. It publishes reviews, regular research papers, and short communications, as well as Special Issues on particular subjects. Our aim is to encourage scientists to publish their experimental and theoretical results in as much detail as possible. There is no restriction on the maximum length of the papers.
