

Special Issue

Feature Papers in Marine Biology

Message from the Guest Editors

We are pleased to announce the launch of a new Special Issue on “Feature Papers in Marine Biology” with the aim to contribute to the publication of high-quality research on all the main aspects of marine biology, from strictly biological aspects (biological oceanography, animal biology, cellular biology) to ecology, zoology, fisheries, conservation, biological invasions, and molecular biology. Original and high-quality research on all the branches of marine biology mentioned above is encouraged.

Guest Editors

Dr. Francesco Tiralongo

About the Journal

Message from the Editor-in-Chief

The *Journal of Marine Science and Engineering* (JMSE, ISSN 2077-1312) is an international peer-reviewed open access journal which provides an advanced forum for studies related to marine science and engineering. The journal aims to provide scholarly research on a range of topics, including ocean engineering, chemical oceanography, physical oceanography, marine biology and marine geosciences. We invite you to publish in our journal sharing your important research findings with the global ocean community.

Editor-in-Chief
