

## Special Issue

# Basic Science and Clinical Research of *Coccidioides* and Coccidioidomycosis

### Message from the Guest Editors

We are excited to once more assemble many of the leading scientists and clinicians for the 68th Coccidioidomycosis Study Group Conference, to take place in San Antonio, Texas, from 5 to 6 April 2024. With its rich tradition, now in its 68th edition, this conference constitutes the premier forum for discussion of all aspects of *Coccidioides* spp. infection and research. Historically, this conference represents a unique opportunity to gather the world's renowned experts in coccidioidomycosis. This is a field currently experiencing tremendous progress in clinical, epidemiologic, immunologic and translational research. A fundamental aspect of this conference continues to be to elevate the field by facilitating collaborative relationships amongst clinicians, scientists, and industry.

---

### Guest Editors

Prof. Dr. Jose Luis Lopez-Ribot

Department of Molecular Microbiology & Immunology, The University of Texas at San Antonio, San Antonio, TX, USA

Dr. Chiung-Yu Hung

South Texas Center for Emerging Infectious Diseases, Department of Biology, University of Texas at San Antonio, San Antonio, TX, USA

---

### Deadline for manuscript submissions

31 August 2025

## About the Journal

### Message from the Editor-in-Chief

The *Journal of Fungi* (JoF, ISSN 2309-608X) is an international, peer-reviewed, scientific, open access journal that provides an advanced forum for studies related to pathogenic fungi, fungal biology, and all other aspects of fungal research. Research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.
