Fungal Biotechnology and Application

Message from the Guest Editor

This Special Issue is related to the “2020 International Conference on Biotechnology and Food Science (BFS 2020)” which will be held in Guangzhou, China, 18–20 December 2020. BFS 2020 provides an enabling platform for innovative academics, engineers, and industrial experts in the field of biotechnology and food science to exchange new ideas and present research results. Symposium participants, as well as all researchers working in the field, are cordially invited to contribute original research papers or reviews to this Special Issue of the *Journal of Fungi*.

About the Journal

Message from the Editor-in-Chief

The *Journal of Fungi* (JoF, ISSN 2309-608X) is an international, peer-reviewed, scientific, open access journal that provides an advanced forum for studies related to pathogenic fungi, fungal biology, and all other aspects of fungal research. Research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.
