

## Special Issue

# Innovation in the Pharmaceutical Industry: Drug Discovery, Delivery, and Manufacturing

### Message from the Guest Editor

We are excited to invite scholars, practitioners, and researchers to submit papers to the Special Issue on "Innovation in the Pharmaceutical Industry: Drug Discovery, Delivery, and Manufacturing." The aim of this Special Issue is to provide the most recent developments, breakthroughs, and trends that are influencing the pharmaceutical industry. Original research articles that examine the complex terrain of pharmaceutical innovation are encouraged, as are review papers, original research papers, perspective and opinion pieces, or case studies. Every submission will go through a thorough peer review process to ensure the high quality of the published content.
