

Dear Colleagues,

We are pleased to announce the winners of the *JPM* 2020 10th Anniversary Outstanding Reviewer Awards. The *JPM* Editorial Board and Editorial Team would like to express their gratitude for the time and energy dedicated by reviewers in checking the manuscripts submitted to *JPM*. It is due to their efforts that the high quality of the journal and quick turnaround have been maintained.

Please join us in congratulating the following winners:

1. Dr. Alain R. Thierry

Cancer Research Institute of Montpellier, INSERM, Montpellier, France

Research Interest: circulating DNA; clinical diagnostic and cancer; DNA auto-organization; synthetic biology, nanotechnology and gene therapy
