

Special Issue

Innovations and Insights about Caliper Verified Unrestricted Kinematic Alignment a Personalized TKA Concept

Message from the Guest Editors

We are pleased to invite you to contribute to the Special Issue of the *JPM*. The Special Issue focuses on: innovations and insights about kinematic alignment, a personalized TKA (total knee arthroplasty) concept. We encourage you to submit a research paper that reflects your contribution to the clinical advancement of kinematic alignment. We appreciate your contribution to this Special Issue and remain at your disposal for any further information you may require.
