### Message from the Guest Editor

Dear Colleagues,

In this Special Issue, we invite submissions of original papers which address research questions in the areas of financial accounting, managerial accounting, tax accounting, auditing, accounting information systems, forensic accounting and non-financial reporting. We also encourage submissions related to timely and emerging themes in accounting, such as the effects of ESG reporting, technologies on financial and non-financial reporting, regulatory changes and sustainability reporting. We are interested in conceptual, theoretical, methodological, empirical, case study and systematic review studies.
