### Message from the Guest Editor

This Special Issue focuses on the broad topic of “Fixed Income Securities” and includes novel research on the impacts of the current pandemic on various aspects related the pricing, volatility, and risk management of fixed income securities.

Theoretical and empirical articles on how the pandemic affects the pricing of fixed income securities, portfolio construction, trading strategies, hedging, global investment trends, and migration across market sectors are welcome.

Contributions focusing on fixed income derivatives, Exchange Traded Funds (ETFs), novel measures of uncertainty or credit risk, and other relevant risks in the fixed income markets are also encouraged.
