Deadline for manuscript
submissions:

closed (15 November 2022)

Message from the Guest Editors

This Special Issue on “Accounting, International Finance, and Economic Development with Applications”, edited by Wing Keung Wong, Husam Rjoub, and Kittisak Jemsittiparsert, will be devoted to advancements in the modeling of accounting, international finance, and economic development with applications. This Special Issue will also bring together practical, state-of-the-art applications of mathematics, probability, and statistical techniques in accounting, international finance, and economic development with applications.

We invite investigators to contribute original research articles that advance the use of mathematics, probability, statistics, and econometrics models in the areas of accounting, international finance, and economic development with Applications. All submissions must contain original unpublished work not being considered for publication elsewhere.

an Open Access Journal by MDPI
