Innovations and Challenges in Management Accounting

Message from the Guest Editors

The *Journal of Risk and Financial Management* (ISSN 1911-8074) invites submissions for Special Issues on contemporary management and financial accounting topics. We seek contributions that explore the latest innovations and challenges in these fields, particularly those intersecting with finance, economics, and risk management. Potential themes include the following:

- Digital Transformation in Management Accounting
- Sustainability and Environmental Management Accounting
- Risk Management and Control Systems
- Performance Measurement and Management
- Ethics and Governance in Management Accounting
- Corporate Governance
- Accounting Conservatism
- Earnings Quality and Management
- Cost Stickiness
- Stock Liquidity
- Annual Board Report Readability
- Auditing

Submissions should provide comprehensive experimental details to ensure the reproducibility of results. This Special Issue aims to advance the fields by disseminating cutting-edge research that aligns with the journal's scope, fostering a deeper understanding of the evolving landscapes of management and financial accounting.
