Impact of Geopolitical Risks (GR) and Economic Policy Uncertainty (EPU) on Financial Strategies

Message from the Guest Editors

We welcome empirical, theoretical, and policy-oriented contributions that address gaps in the current literature, particularly through interdisciplinary or cross-country analyses. Topics of interest include, but are not limited to, the following:

The impact of geopolitical risks and economic policy uncertainty on capital structure, financing decisions, and stock market;

Risk assessment and mitigation strategies in volatile policy environments;

Cross-border investment dynamics and strategic diversification;

Behavioral finance insights into decision-making under uncertainty;

Regulatory responses and compliance challenges;

Innovations in financial instruments and hedging techniques.
