

# Special Issue

## Financial Accounting

### Message from the Guest Editor

This Special Issue focuses on the broad topic of “Financial Accounting” and includes novel research studies on the use of financial accounting and techniques for earnings management, banking, corporate finance, and the risk management of financial institutions. Theoretical and empirical articles on the application of novel financial accounting techniques based on earnings management, corporate finance, banking, and risk management are welcome.

## About the Journal

### Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.
