

## Special Issue

# Advanced Studies in Empirical Macroeconomics and Finance

### Message from the Guest Editors

We are pleased to announce a call for papers for this Special Issue on 'Advanced Studies in Empirical Macroeconomics and Finance'. This Special Issue aims to collect a number of new contributions that will add to the growing literature on empirical macroeconomics and empirical finance. We welcome papers from all empirical research areas in macroeconomics and finance, particularly focusing on the following major areas: economic growth, debt, the financial market, green finance, energy finance, the effects of monetary and fiscal policies, macroeconomic forecasting, uncertainty, risk management, the housing market, and inequality.

## About the Journal

### Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.
