

## Special Issue

# International Trade, Finance, and Development

### Message from the Guest Editors

It is a pleasure to call for papers for the *Journal of Risk and Financial Management* Special Issue on International Trade, Finance, and Development. This Special Issue will accept theoretical and empirical original papers that study (however, not limited) the new wave of protectionist trade policy, the exchange rate, international trade, international finance, foreign direct investment, international labor mobility, the impact of the COVID-19 pandemic on international trade and finance, low-interest rate and monetary transmission, rising inflation all over the world. Papers on other relevant topics such as the political economy of international trade and finance, monetary policy, and economic and financial crises are also welcome. Submissions for the Special Issue should be made through the following link:
