

Special Issue

Sustainable Finance: Navigating the Path to a Greener Future

Message from the Guest Editors

Scope: This Special Issue, aims to explore the multifaceted role of sustainable finance in achieving the Sustainable Development Goals (SDGs) and shaping a more sustainable future. It will delve into innovative approaches to sustainable finance products and services, effective strategies for managing ESG risks and opportunities, the impact of sustainable finance on investment decisions and portfolio performance, and the role of governments and regulatory bodies in promoting sustainable finance practices.

The Special Issue will make several key contributions to the existing literature on sustainable finance:

- It provides a comprehensive overview of the latest developments and trends in sustainable finance;
- It showcases innovative approaches and strategies for sustainable finance products and services in both advanced and emerging economies;
- It highlights effective strategies for managing ESG risks and opportunities using sustainable finance;
- It analyzes the impact of sustainable finance on investment decisions and portfolio performance;
- It examines the role of governments and regulatory bodies in promoting sustainable finance practices.

About the Journal

Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.

Editor-in-Chief

Prof. Dr. Thanasis Stengos

Department of Economics and Finance, University of Guelph, Guelph,
