

## Special Issue

# Carbon Accounting, Climate Reporting, and Sustainable Finance

### Message from the Guest Editors

In the wake of global climate change, businesses and regulators are increasingly turning towards carbon accounting and climate reporting as essential tools in the fight against environmental degradation. Sustainable finance is also becoming pivotal in directing financial flows to support climate actions. This Special Issue aims to explore the latest advancements, methodologies, and impacts of these practices.

## About the Journal

### Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.
