Special Issue

Sustainability Reporting and Corporate Governance

Message from the Guest Editors

This Special Issue aims to complement the existing literature on corporate governance practices in the context of sustainability reporting, especially their impact on sustainable development, and to address pressing concerns around sustainability in global markets. We hereby invite submissions that use a range of methodological approaches, such as positivistic, interpretive, or critical perspectives. We consider both theoretical and empirical submissions.

Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.

Editor-in-Chief

Prof. Dr. Thanasis Stengos

Department of Economics and Finance, University of Guelph, Guelph, ON N1G2W1, Canada
