

## Special Issue

# Financial Reporting, Managing Risk and Banking

### Message from the Guest Editor

This Special Issue aims to present top-quality theoretical and empirical academic research, as well as high-quality conceptual and literature review papers on financial reporting and the management of risk in banking and finance. Studies that provide cutting-edge insights into current research are welcome. Specific topics include (but are not limited to):

- Financial innovation and risks;
- Bank behaviour and risk taking;
- The risks of digital financial innovations in banking;
- The rise of digital finance and the risk implications for banking;
- Financial reporting and systemic risk in banking;
- Accounting and bank risk-taking in the modern era;
- Systemic risks in banking;
- Financial risk measurement and management;
- Impact of COVID-19 on bank behaviour and performance;
- Financial reporting and bank performance during COVID-19;
- Stylized facts of financial risks in banking and finance;
- Financial regulation and risk in banking.

## About the Journal

### Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.
