

Special Issue

Bank Efficiency and Risk Management

Message from the Guest Editor

This Special Issue will publish papers in various areas related to bank efficiency and risk management in a pandemic and negative interest rates environment. Possible topics for the proposed Special Issue that could be addressed include the following: (1) banks' efficiency in the pandemic; (2) pandemic and risk management; (3) factors affecting bank efficiency and risk management during the COVID-19 pandemic; and (4) the impact of regulatory changes on the banks' efficiency and stability. Papers with rigorous empirical research methods and practical applications in the EU, US, and other areas' banking sectors are most welcome.
