

## Special Issue

# International Trends and Economic Sustainability on Emerging Markets

### Message from the Guest Editors

This Special Issue will publish papers in various areas related to international trends and economic sustainability on emerging markets. The issue is particularly interested in (1) economic sustainability in emerging markets; (2) regions and economic resilience; and (3) corporate social responsibility and sustainable strategies. We invite investigators to contribute original research articles in theory, practice, and applications on international trends and economic sustainability on emerging markets. All submissions must contain original unpublished work not being considered for publication elsewhere.
