

Special Issue

Innovations and Advances in Exchange-Traded Funds

Message from the Guest Editors

We cordially invite you to submit original research articles to this Special Issue on both equity and non-equity exchange-traded funds (ETFs). This Special Issue encourages submissions related to topics including, but not limited to, the categorization, management, trading, and impact of ETFs. Contributions focusing on the fund inflows, new entrants, innovative products, and distribution opportunities of ETFs are particularly welcome. Environmental, social, and governance investing studies, especially during the COVID-19 pandemic, are also of strong interest.
