

## Special Issue

# Sustainable Finance and ESG Investment

### Message from the Guest Editors

This Special Issue encourages papers examining, but not limited to, the following topics:

- The role of public policy in motivating investment in sustainability;
- The relations between ESG scores and firm performance;
- The complex relations between ESG issues and financial markets;
- Metrics of ESG scores;
- Investor and manager motivations for ESG investing;
- Challenges and opportunities of ESG impacts through financial services;
- Country cultural differences in ESG investment;
- Shareholder activism on ESG issues;
- Sustainable finance that considers the investment chain, asset classes, and different business expertise;
- Fintech in sustainable finance;
- Current government regulations and politics of sustainable finance and ESG.

This Special Issue publishes empirical and theoretical research articles that greatly impact Sustainable Finance and ESG.

## About the Journal

### Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.
