

Special Issue

Sustainable Finance and ESG Investment

Message from the Guest Editors

This Special Issue encourages papers examining, but not limited to, the following topics:

- The role of public policy in motivating investment in sustainability;
- The relations between ESG scores and firm performance;
- The complex relations between ESG issues and financial markets;
- Metrics of ESG scores;
- Investor and manager motivations for ESG investing;
- Challenges and opportunities of ESG impacts through financial services;
- Country cultural differences in ESG investment;
- Shareholder activism on ESG issues;
- Sustainable finance that considers the investment chain, asset classes, and different business expertise;
- Fintech in sustainable finance;
- Current government regulations and politics of sustainable finance and ESG.

This Special Issue publishes empirical and theoretical research articles that greatly impact Sustainable Finance and ESG.

About the Journal

Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.
