

Special Issue

Corporate Finance, Pension Funds and Market Dynamics

Message from the Guest Editors

The *Journal of Risk and Financial Management* publishes Special Issues to create collections of papers on specific topics, with the aim of building a community of authors and readers to discuss the latest research and develop new ideas and research directions. This Special Issue focuses on emerging topics in corporate finance, pension funds and market dynamics. All Special Issue submissions follow MDPI's standard editorial process. The journal's Editor-in-Chief and/or designated Editorial Board Member will oversee appointments and Special Issue proposals, checking their content for relevance and ensuring the suitability of the material for the journal. The papers published in a Special Issue will be collected and displayed on a dedicated page of the journal's website. Further information on MDPI's Special Issue policies and responsibilities can be found [here](#). For any inquiries related to a Special Issue, please contact the Editorial Office.
