

## Special Issue

# Token Offerings, Cryptocurrencies and Blockchain Technology

### Message from the Guest Editor

Token offerings have gained prominence among entrepreneurs in relation to acquiring venture capital from crowd investors leveraging blockchain technology. This Special Issue invites interdisciplinary research on token offerings from finance, entrepreneurship, strategy scholars, among others. In particular, research that uses the recently established [Token Offerings Research Database \(TORD\)](#) is encouraged. This Special Issue aims to help consolidate the existing body of knowledge and set out the agenda for future research on token offerings.

## About the Journal

### Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.
