Topical Advisory Panel Members' Collection Series: Advances in Land, Agriculture, and Ecosystem Services

Message from the Guest Editor

We are pleased to announce a new Collection titled "Topical Advisory Panel Members' Collection Series: Advances in Land, Agriculture, and Ecosystem Services", which will collect papers invited by the Topical Advisory Panel Members. The aim of this Collection is to provide a venue for networking and communication between *Land* and scholars in the field of agroecosystems. All papers will be published in open access following peer review.

About the Journal

Message from the Editor-in-Chief

Land is the only open access journal covering all aspects of land science, and it is a pioneering platform for publishing on land system science. Our editorial board is comprised of eminent scholars. We publish high quality research on societally relevant, emerging and innovative topics and results in land system research. It is now one of the top land journals with a significant impact factor, and has a goal to become the best journal in land in the coming years. I strongly recommend *Land* for your best research publications for a fast dissemination of your research.
