Ecosystem Services Provisioning from Land

Message from the Guest Editors

The continued provision of ecosystem goods and services (EG&S) is vital to the achievement of the Sustainable Development goals (SDGs) agreed by the UN and to the welfare of the global population. This SI will canvass opinion about and explore barriers to achieving this outcome.

About the Journal

Message from the Editor-in-Chief

Land is the only open access journal covering all aspects of land science, and it is a pioneering platform for publishing on land system science. Our editorial board is comprised of eminent scholars. We publish high quality research on societally relevant, emerging and innovative topics and results in land system research. It is now one of the top land journals with a significant Impact Factor, and has a goal to become the best journal in land in the coming years.
