

Special Issue

Land Governance and (Im)mobility: Exploring the Nexus between Land Acquisition, Displacement and Migration

Message from the Guest Editors

This Special Issue emerges from contributions of the LANDac Annual International Conference that takes place 28–29 June 2018, in Utrecht, the Netherlands. You are invited to submit abstracts by 31 July 2018 and full-paper manuscripts by 31 October 2018. Contributions may address the Special Issue topic from different angles and focus on:

- Infrastructure development and involuntary settlement
- Land reforms and conflict-induced displacement
- Gender differentials, specifically women's and youth's role in migration and resettlement processes

About the Journal

Message from the Editor-in-Chief

Land is the only open access journal covering all aspects of land science, and it is a pioneering platform for publishing on land system science. Our editorial board is comprised of eminent scholars. We publish high quality research on societally relevant, emerging and innovative topics and results in land system research. It is now one of the top land journals with a significant impact factor, and has a goal to become the best journal in land in the coming years. I strongly recommend *Land* for your best research publications for a fast dissemination of your research.
