

## Special Issue

# Landscape Planning for Human Wellbeing in Asia

### Message from the Guest Editors

We would like to invite you to submit articles to our Special Issue. This Special Issue aims to present research findings on landscape planning for pursuing human well-being in various countries, particularly in Asia. In this Special Issue, original research articles and reviews are welcome. Possible topics include, but are not limited to:

- Landscape preferences and mental restoration;
- Restorative potential of urban blue space;
- Residents' motives for visiting urban green spaces during the COVID-19 pandemic;
- Urban parks' roles during the COVID-19 pandemic;
- Physiological and psychological effects;
- Traditional ecological knowledge;
- Spatial planning and sustainable development;
- Residents' perception of informal green space;
- Impacts and residents' attitudes to urban tourism;
- The sustainable development of urban cultural heritage gardens;
- Smart development in rural areas.

### Guest Editors

Prof. Dr. Katsunori Furuya

Prof. Dr. Takahide Kagawa

Prof. Dr. Yiping Xia

### Deadline for manuscript submissions

closed (31 March 2024)

## About the Journal

### Message from the Editor-in-Chief

*Land* is the only open access journal covering all aspects of land science, and it is a pioneering platform for publishing on land system science. Our editorial board is comprised of eminent scholars. We publish high quality research on societally relevant, emerging and innovative topics and results in land system research. It is now one of the top land journals with a significant impact factor, and has a goal to become the best journal in land in the coming years. I strongly recommend *Land* for your best research publications for a fast dissemination of your research.
