

Special Issue

Geoparks, Geotrails, and Geotourism – Linking Geology, Geoheritage, and Geoeducation

Message from the Guest Editors

The scope of invited contributions can encompass the following as individual chapters:

- Functions of a geopark, geotrail, or geosite;
- How to organise and administrate a geopark, geotrail, or geosite;
- How to organise and administrate a geotour;
- A review of geoparks globally;
- Example of a geopark (a case study)– outlining its geological setting, key geology, educational function, community involvement, and successes/problems;
- Example of a geotrail (a case study)– outlining its geological setting, key geology, educational function, community involvement, and successes/problems;
- Example of a geosite (a case study)– outlining geological setting, its key geology, educational function, community involvement, and successes/problems;
- Some thematic geotours – global examples.

About the Journal

Message from the Editor-in-Chief

Land is the only open access journal covering all aspects of land science, and it is a pioneering platform for publishing on land system science. Our editorial board is comprised of eminent scholars. We publish high quality research on societally relevant, emerging and innovative topics and results in land system research. It is now one of the top land journals with a significant impact factor, and has a goal to become the best journal in land in the coming years. I strongly recommend *Land* for your best research publications for a fast dissemination of your research.

Editor-in-Chief

Prof. Dr. Christine Fürst

Institute for Geosciences and Geography, Department Sustainable Landscape Development, University of Halle, Von-Seckendorff-Platz 4, 06120 Halle, Germany

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SSCI (Web of Science), PubAg, AGRIS, GeoRef, RePEc, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Nature and Landscape Conservation)
