

# Special Issue

## Land Use and Livelihood Change

### Message from the Guest Editors

For this Special Issue, we are interested in contributions that link changing livelihood to land uses, through either empirical research or conceptual/theoretical work, examining any key processes, and including, but not limited to, the following topics:

- Sustainable livelihood security;
- Livelihood risk and adaptation;
- Livelihood vulnerability and resilience;
- Livelihood–land nexus;
- Livelihood experiments and land-use planning;
- Rural development and livelihood transition;
- Ecosystem services and household welfare;
- Coupled relationships and internal mechanisms;
- Multidimensional livelihood intervention.

---

### Guest Editors

Dr. Ying Hou

Research Center for Eco-Environmental Sciences, Chinese Academy of Sciences, Beijing 100085, China

Dr. Zhilong Wu

Institute of Ecological Civilization, Jiangxi University of Finance and Economics, Nanchang 330013, China

---

### Deadline for manuscript submissions

closed (25 May 2023)

## About the Journal

### Message from the Editor-in-Chief

*Land* is the only open access journal covering all aspects of land science, and it is a pioneering platform for publishing on land system science. Our editorial board is comprised of eminent scholars. We publish high quality research on societally relevant, emerging and innovative topics and results in land system research. It is now one of the top land journals with a significant Impact Factor, and has a goal to become the best journal in land in the coming years.
