

Special Issue

Effects of Language and Culture on Emotion Processing

Message from the Guest Editors

The aim of this Special Issue is to bring together research investigating the interactions between language, culture, and emotion. We encourage contributions from various research traditions and methodologies including psychology, linguistics, sociology, biology, anthropology, education, and so on.

About the Journal

Message from the Editorial Board

Languages (ISSN 2226-471X) is now in its eighth year since its inception in 2015. It is an Open Access journal which seeks to stimulate debates on key issues in languages and linguistics. We welcome papers at the cutting edge of different fields, ranging from applied linguistics to descriptive and theoretical linguistics. Submissions may consist of research articles and critical reviews as well as proposals for Special Issues where multi-disciplinary approaches and different perspectives on current issues are explored. We invite you to consider *Languages* as a forum for sharing your work.
