

Special Issue

Exploring the Role of Focus Alternatives in Language Production

Message from the Guest Editor

We invite contributions using quantitative data to address questions concerning the influence of focus alternatives on the manner or content of language production or explorations on the online activation of focus alternatives during language production. The tentative completion schedule is as follows:

- Abstract submission deadline: 31 January 2021
- Notification of abstract acceptance: 28 February 2021
- Full manuscript deadline: 31 July 2021

Guest Editor

Prof. Dr. Katharina Spalek

About the Journal

Message from the Editorial Board

Languages (ISSN 2226-471X) is now in its eighth year since its inception in 2015. It is an Open Access journal which seeks to stimulate debates on key issues in languages and linguistics. We welcome papers at the cutting edge of different fields, ranging from applied linguistics to descriptive and theoretical linguistics. Submissions may consist of research articles and critical reviews as well as proposals for Special Issues where multi-disciplinary approaches and different perspectives on current issues are explored. We invite you to consider *Languages* as a forum for sharing your work.

Editors-in-Chief
