

Special Issue

Depressive Disorders-New Challenges: 2nd Edition

Message from the Guest Editors

The editors are grateful to the many researchers in the related research fields who contributed to the first volume

(https://www.mdpi.com/journal/life/special_issues/Depressive_Disorders). We are pleased to announce the second volume of our Special Issue “Depressive Disorders— New Challenges: Volume II”. This Special Issue presents the most recent research on the biological understanding of the causes of depression. We encourage original research articles and reviews.

About the Journal

Message from the Editor-in-Chief

Life (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.
