

## Special Issue

# Advancements in Veterinary Oncology

### Message from the Guest Editors

Veterinary Oncology has rapidly evolved, bringing transformative advancements that significantly enhance the knowledge about carcinogenesis, diagnosis, treatment, and prognosis of cancer in animals. This Special Issue, titled "Advancements in Veterinary Oncology", is dedicated to presenting the latest research in this the field, offering new perspectives for both companion animals and horses. As the of this Special Issue, we extend our heartfelt gratitude to the authors for their exceptional contributions and to the reviewers for their meticulous evaluation of the submissions. We are confident that the research presented herein will inspire further innovation and collaboration, driving forward the field of veterinary oncology. We invite all the researchers to explore the articles in this Special Issue and join us in recognizing the remarkable progress being made in oncology in veterinary medicine. Together, we can continue to advance our understanding of cancer, bringing new hope and better health outcomes to animals.

---

### Guest Editors

Dr. José Pimenta

Dr. Mário Pedro Goncalves Cotovio

Prof. Dr. Justina Prada

Dr. Isabel Pires

## About the Journal

### Message from the Editor-in-Chief

*Life* (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.
