Special Issue

Innovative Cancer Therapies

Message from the Guest Editors

This Special Issue will be centered around the theme of "Innovative Cancer Therapies", aiming to showcase groundbreaking research and advancements in the field of oncology. Given your exceptional expertise and pioneering work in this area, your insights would be instrumental in making this Special Issue a resounding success. We are seeking contributions that highlight novel approaches, cutting-edge technologies, and transformative ideas in cancer treatments. Your work has consistently demonstrated excellence in these aspects, and we believe your contribution would greatly enrich the collective knowledge of our readers and fellow researchers. Your valuable contribution to this Special Issue would be an honor for us and a significant addition to the scientific discourse on innovative cancer therapies. We eagerly await your response and look forward to the possibility of collaborating with you.

Guest Editors

Dr. Suging Tian

Department of Radiation Oncology, Peking University Third Hospital, Beijing, China

Dr. Guang Han

Hubei Cancer Hospital, Wuhan, China

About the Journal

Message from the Editor-in-Chief

Life (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.

Editor-in-Chief

Prof. Dr. Lluís Ribas de Pouplana

Institute for Research in Biomedicine (IRB Barcelona), The Barcelona Institute of Science and Technology, 08028 Barcelona, Spain

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biology) / CiteScore - Q1 (Paleontology)
