

## Special Issue

# Interventional Pulmonology – Review and Updates

### Message from the Guest Editors

Interventional pulmonology field had undergone an extraordinary growth in the past three decades. Advances in clinical innovations, research, and education has pushed interventional pulmonology to the forefront. In this issue, we aim to provide a summary of what has been accomplished in the past three decades and visit active areas of research.

## About the Journal

### Message from the Editor-in-Chief

*Life* (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.
